

ORWELL VILLAGE HALL MAINTENANCE REPORT 29 JULY 2021

PLANNED MAINTENANCE

- Grid mesh to be fixed to sloping surface of new external ramp
- Possible improvements to path from bottom of ramp.
This is dependant on the removal of the Wi-Fi post when we get County Broadbands fibre.
- Replace rear external Fire Exit door with possible entry and exit hardware fitted.
Quotations for work to be obtained.
- Replace or repair external escape stairs.
Quotations for work to be obtained.
- Investigate foundations of rear storage shed and upgrade as necessary.
Quotations for work to be obtained.
- Attack the forever growing nettles and weeds and apply weed killer
Ashley and Barry to attempt this.

ONGOING WORKS PLANNED

- Upgrade back room for multi usage.
- Rainwater guttering
- Possible radiator valves for more control of heating.
- Investigate persistent problems with sound system.
Mark and Barry are on it.
